

AGED 85 YEARS.

**One of the Oldest Citizens of the County Dead.**

Mr. Chas. T. Casky, one of the oldest men in the county, died at his home in Casky, Sunday morning, of a complication of diseases that had confined him to his bed for several months. He was 85 years of age and had been in failing health for several years.

He had long been a resident of this county and when the railroad was built through his lands the town of Casky was built on his place and named for him.

He was a man of wealth and prominence and lived and died honored and respected by a wide circle of friends. He was a member of the Cumberland Presbyterian Church. The funeral services were held yesterday and the interment took place in the family burying ground near by.

DIED IN A HACK.

**Canada Lady Victim of Heart Disease.**

Mrs. Kittie Ann Jones died suddenly at the L. & N. depot Thursday evening of heart trouble. She arrived here on the 5:27 train from Windsor, Ontario, accompanied by two of her daughters, and just as she was entering a hack she was attacked with a smothering spell and died in a few minutes.

Mrs. Jones was a native of this county, but moved with her husband to Canada thirty-five years ago, where she had since resided. She had been in bad health for several months and decided to visit her three children who live in this county, thinking that the change of climate might be of benefit. She was 56 years old and leaves a husband and eight children, three living in Christian county, and five in Canada.

Mr. Jones and children were immediately notified of her sudden death and they arrived in this city Sunday morning, in time to be present at the interment, which took place in Ebenezer church cemetery, near Pilot Rock, Sunday afternoon.

**Important to Mothers.**

The manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting the Castoria trade-mark. This counterfeiting is a crime not against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher, if they would guard the health of their children. Parents, and mothers in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the fac-simile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.—Philadelphia Bulletin.
